## PRESS RELEASE

**To:** The Media **From:** Chief Statistician – Lori-Rae Alleyne-Franklin  
**Cc:** P.S. EDIC et al – Mr. Larry Franklin  
**Date:** January 13, 2026  
**Re:** Annual Business Survey 2025

---

The Anguilla Statistics Department (ASD) would like to take this opportunity to wish the business community operating in Anguilla a productive and prosperous 2026.

The ASD is once again requesting your cooperation in collecting data for the calculation of the 2025 National Accounts (NA) and/or Balance of Payments (BOP) and International Investment Position (IIP) estimates for Anguilla. All businesses should have by now received their Annual Business Survey package via post or email for completion.

Your data will be added to the data provided by other businesses to present an aggregate economic picture of activity during 2025.

Upon completion and return of the forms, the data supplied becomes **confidential**. The protection of your data is legislated and guaranteed under the Statistics Act of Anguilla, Chapter S60, which also makes the completion of the form(s) **mandatory** and subject to penalties if not returned. Amongst the criminal offences created under the Act, in particular Section 18(b), makes it an offence to refuse or neglect to fill up and supply the particulars required and Section 19 provides for punishment including an initial \$3,000 fine with imprisonment in default of payment.

The ASD would like to remind all businesses operating in Anguilla that the completion and return of the Annual Business Survey is due on **Tuesday March 31, 2026**.

Businesses that operated for part or all of the year 2025 and did not receive a survey package, or that require additional blank forms, are asked to contact the ASD. Forms should be collected in person, or requested via telephone or email to be sent by email.

If you received a survey package and your business was not operating during the entire 2025 or has ceased operations, kindly inform us as soon as possible. If you have regularized your business status with the ASD by informing us and/or have signed necessary documents stating the inactivity of our business, we sincerely apologize if you have once again received a survey package, but please contact us.

Anyone with queries concerning this important exercise or requiring assistance, is asked to contact the Chief Statistician - Mrs. Alleyne-Franklin or Statistician - Mr. Carty via email [lori-raea@gov.ai](mailto:lori-raea@gov.ai) and [careme.carty@gov.ai](mailto:careme.carty@gov.ai) or visit us at our location at the Old Court House Building.
