

Tourism Statistics Summary

August 2025

OVERVIEW

August's 2025 visitor arrivals to the shores of Anguilla numbered 17,905; an increase of 12.8% over its corresponding August 2024 figure of 15,869. The total visitor arrivals in the period under review is registered as the highest number of arrivals for any August period spanning from 1993 – 2025. The years 2017 and 2015 followed, registering the second (17,588) and third (17,319) highest totals respectively.

The increase in visitor arrivals for the period August 2025 was synonymous with arrivals of day-trippers to the island, as stayover visitors recorded a decrease in its comparative figures. The majority, 99.0% of the visitor arrivals, came with the intention of vacationing, while 1.0% came with the intention of doing business.
