

Tourism Statistics Summary

February 2025

OVERVIEW

February's 2025 visitor arrivals to the shores of Anguilla numbered 23,086; an increase of 18.3% over its corresponding February 2024 figure of 19,512. This figure under review is registered as the highest number of arrivals for any February period spanning from 1993 – 2025. The years 2024 and 2015 followed registering the second highest (19,512) and third highest (18,111) totals respectively.

The increase in visitor arrivals for the period February 2025 was due to the increase in arrivals for both; stay-overs and day-trippers, to the island. The majority; 99.3% of the visitor arrivals, came with the intention of vacationing, while 0.7% came with the intention of doing

business.
