ARRIVAL ANALYSIS

Visitors: ↑ 16.0%

Tourists: ↑ 7.2%

Excursionists: ↑ 27.9%

OVERVIEW

November's 2025 visitor arrivals to Anguilla's shores numbered 18,848 arrivals; an increase of 16.0% over its corresponding November 2024 figure of 16,251. This period under review is recorded as the highest number of arrivals, for any November period, to Anguilla over the past 33 years. The second highest total number of visitor arrivals was recorded in 2024 with 16,251 and the third highest of 14,010 arrivals in 2006.

This overall increase in visitor arrivals was due to both categories of visitors; stayover and day-trippers, recording increases when compared to their respective totals in 2024.

The majority (98.6%) of the visitors during this period came with the intention of vacationing, while 1.4% came for business.
